ABOUT ME

FROM THE FIRST STEP TO TODAY

My interest in music during my high school years was crowned in 2011 when I achieved a prize in the "Turkey Audiostar Remix" competition organized by Power FM, marking my first step into the industry. Through weekly sets I created for 28 Black FM nationally and for West Radio broadcasting in Greece internationally, I managed to reach broad audiences with my music. During the same period, my DJ performances at Palace Beach Club in Marmaris, El Divino Resto-Lounge, and Club Rain in Izmir began to attract the attention of the press. I signed my first Resident DJ contract with KafePi Group in 2012. Within the one-year contract, I performed at all KafePi venues in Istanbul during the winter season and at KafePi Beach Club in Cesme during the summer season.

In 2013, I signed a contract with Eksen Group, where I performed at Limoncello, Sortie, Salomanje, and Cento Per Cento venues. During the same period, I also had weekly DJ performances at Maslak Sheraton Club Peb Fitness, combining sports with music. In 2014, I took over the role of music director at House 44, one of the leading entertainment companies in Izmir. I performed at Aqunte Warm Pool, Cartel Coffee & Cocktail, House 44 (Alsancak/Cesme), and Yuzu Beach within the company. In 2015, I managed Tektekçi / Tektekçi Diskotek venues, and in 2019, I operated Bacı Restaurant with an Italian cuisine concept.

Since 2018, I have been participating in exclusive events organized by BeStyle Magazine and 4 Example Agency. In 2021, I established my own company under the name Domum Group. As a consultancy agency, Domum Group provides music and event consultancy services to companies/venues with whom we have contracts. Within the company, we also operate Domum Social, Domum Creative Lab, and Domum Records based in the UK, offering services in various sectors.

In May 2021, I signed a Music Director agreement with Meeting Point Hotels. Throughout the summer season, my company, Domum Group, provided Music Director services to Design Plus Seya Beach Hotel and Kairaba Alaçatı Beach Resort & Spa in Çeşme, both of which are part of the MP Hotels Group. In March 2023, I signed a music and event director agreement with North Piers Group, followed by an agreement with Reges Luxury Hotel Çeşme and Teras 1885 in May 2023, thus adding these brands to the company portfolio. Currently, I continue my DJ performances as a freelancer and engage in brand collaborations as a consultant.
